All providers must be: at least 18 years of age; able to prevent transmission of communicable disease; able to communicate expressively and receptively in order to follow individual plan requirements and beneficiary-specific emergency procedures, and to report on activities performed; and in good standing with the law (i.e., not a fugitive from justice, a convicted felon who is either under jurisdiction or whose felony relates to the kind of duty to be performed, or an illegal alien). Licensed professionals must act within the scope of practice defined by their licenses. "Supervision" is defined by the Occupational Regulations Section of the Michigan Public Health Code at MCL§333.16109 and, as appropriate, in the administrative rules that govern licensed, certified and registered professionals.

The following describes qualifications required in addition to the above for the identified staff.

**Aide** - Individual is able to perform basic first aid procedures and is trained in the beneficiary's plan of service, as applicable. Aides serving children on the Children's Waiver and the Waiver for Children with Serious Emotional Disturbance (SEDW) must also be trained in recipient rights and emergency procedures. Additionally, aides serving children on the Children's Waiver must be employees of the CMHSP or its contract agency, or be an employee of the parent who is paid through the Choice Voucher arrangement. Aides serving children on the Autism Benefit must also receive training in the principles of behavior, behavioral measurement and data collection, function of behaviors, basic concepts of ABA, generalization and its importance in sustainability of learned/acquired skills, and medical conditions/illness that impact behaviors.

**Child Mental Health Professional (CMHP)** - Individual with specialized training<sup>3</sup> and one year of experience in the examination, evaluation, and treatment of minors and their families and who is a physician, psychologist, licensed or limited-licensed master's social worker, licensed or limited-licensed professional counselor, or registered nurse; **or** an individual with at least a bachelor's degree in a mental health-related field from an accredited school who is trained and has three years supervised experience in the examination, evaluation, and treatment of minors and their families; **or** an individual with at least a master's degree in a mental health-related field from an accredited school who is trained and has one year of experience in the examination, evaluation and treatment of minors and their families. For the Autism Benefit, must have minimum of master's degree and one year of experience in the evaluation and treatment of children with autism spectrum disorder (ASD).

**Mental Health Professional [Mental Health Code, Section 330.1100b(15)]** - An individual who is trained and experienced in the area of mental illness or developmental disabilities and who is one of the following: a physician, psychologist, registered professional nurse licensed or otherwise authorized to engage in the practice of nursing under part 172 of the public health code (1978 PA 368, MCL 333.17201 to 333.17242), licensed master's social worker licensed or otherwise authorized to engage in the practice of social work at the master's level under part 185 of the public health code (1978 PA 368, MCL 333.18501 to 333.18518), licensed professional counselor licensed or otherwise authorized to engage in the practice of counseling under part 181 of the public health code (1978 PA 368, MCL 333.18101 to 333.18177), or a marriage and family therapist licensed or otherwise authorized to engage in the practice of marriage and family therapy under part 169 of the public health code (1978 PA 368, MCL 333.16901 to 333.16915). **NOTE:** The approved licensures for disciplines identified as a Mental Health Professional include the full, limited and temporary limited categories.

<sup>1</sup> Complete reporting and service requirements are determined by the Medicaid Provider Manual, HCPCS and CPT codes. CPT codes, descriptions, and two-digit modifiers only are Copyright American Medical Association. All rights reserved.

<sup>2</sup> Evidence of specialized training would include fieldwork and/or internships associated with the academic curriculum where the student works directly with individuals with intellectual or developmental disabilities as part of that experience. The time spent in fieldwork or internship can be counted toward the one-year experience requirement and must be documented by the student's supervisor or the program's coordinator for fieldwork/internships.

<sup>3</sup> Evidence of specialized training would include fieldwork and/or internships associated with the academic curriculum where the student works directly with persons receiving mental health services as part of that experience. The time spent in fieldwork or internship can be counted toward the one-year experience requirement and must be documented by the student's supervisor or the program's coordinator for fieldwork/internships.

## MICHIGAN PIHP/CMHSP PROVIDER QUALIFICATIONS PER MEDICAID SERVICES & HCPCS/CPT CODES<sup>1</sup>

**Peer Support Specialist** - Individual in a journey of recovery who has a serious mental illness who is now receiving or has received services from the public mental health system. [This is a requirement for any Peer Support Specialist certified after July 1, 2011.] Because of their life experience, they provide expertise that professional disciplines cannot replicate. Individuals employed as Peer Support Specialists serving beneficiaries with mental illness must meet MDCH specialized training and certification requirements. Peer Support Specialists who assist in the provision of a covered service must be trained and supervised by the qualified provider of that service. Peer Support Specialists who provide covered services without supervision must meet the specific provider qualifications.

**Psychologist** - References to "psychologist" in this chart and in the Medicaid Provider Manual mean a psychologist who is fully-licensed, limited-licensed or temporary limited-licensed by the State of Michigan.

**Qualified Intellectual Disability Professional (QIDP)** - Individual with specialized training<sup>2</sup> or one year experience in treating or working with a person who has intellectual disability; **and** is a psychologist, physician, educator with a degree in education from an accredited program, social worker, physical therapist, occupational therapist, speech-language pathologist, audiologist, registered nurse, registered dietitian, therapeutic recreation specialist, or a licensed or limited-licensed professional counselor.

An individual with a bachelor's degree in a human services field who was hired prior to January 1, 2008 and performed in the role of a QIDP prior to January 1, 2008 would also qualify. **NOTE:** If an individual was hired and performed the role of a QIDP prior to January 1, 2008 and later transfers to a new agency, his/her QIDP status will be grandfathered in to the new agency.

**Qualified Mental Health Professional (QMHP)** - Individual with specialized training<sup>3</sup> or one year experience in treating or working with a person who has mental illness; **and** is a psychologist, physician, educator with a degree in education from an accredited program, social worker, physical therapist, occupational therapist, speech-language pathologist, audiologist, registered nurse, therapeutic recreation specialist, licensed or limited-licensed professional counselor, licensed or limited licensed marriage and family therapist, or a licensed physician's assistant.

An individual with a bachelor's degree in a human services field who was hired prior to January 1, 2008 and performed in the role of a QMHP prior to January 1, 2008 would also qualify. **NOTE:** If an individual was hired and performed the role of a QMHP prior to January 1, 2008 and later transfers to a new agency, his/her QMHP status will be grandfathered in to the new agency.

**Social Worker** - Individual who possesses Michigan full or limited licensure as a master's social worker or a bachelor's social worker. Social workers with limited licenses must be supervised by a fully-licensed master's social worker. Student interns pursuing a master's degree in social work and supervised by a Licensed Masters Social Worker in a manner that meets the requirements of a Council on Social Work Education (CSWE) accredited education program curriculum preparing an individual for licensure may provide services.

**Substance Abuse Treatment Practitioner (SATP)** - An individual who has a registered MCBAP certification development plan (Development Plan – Counselor [DP-C] – approved development plan in place), is timely in its implementation, and is supervised by a Certified Clinical Supervisor – Michigan (CCS-M) or Certified Clinical Supervisor – IC & RC (CCS); or who has a registered development plan to obtain the supervisory credential (Development Plan – Supervisor [DP-S] - approved development plan in place) while completing the requirements of the plan.

<sup>1</sup> Complete reporting and service requirements are determined by the Medicaid Provider Manual, HCPCS and CPT codes. CPT codes, descriptions, and two-digit modifiers only are Copyright American Medical Association. All rights reserved.

<sup>2</sup> Evidence of specialized training would include fieldwork and/or internships associated with the academic curriculum where the student works directly with individuals with intellectual or developmental disabilities as part of that experience. The time spent in fieldwork or internship can be counted toward the one-year experience requirement and must be documented by the student's supervisor or the program's coordinator for fieldwork/internships.
